Waqf Wofood Al Haram

Introduction

Waqf Wofood Al Haram is considered one of the leading endowment models in Makkah, that aims to achieve a sustainable impact in serving the Guests of Allah and students of Islamic science in the Two Holy Mosques.

The waqf is based on strategic objectives implemented through a diverse portfolio of innovative projects.

Vision

Innovation and creativity in serving the Guests of the Two Holy Mosques, students of Islamic science, and those who serve them — enhancing the pilgrim experience and reinforcing the impact of the waqf in the holiest of places.

Mission

To enhance the experience of the Guests of Allah, students of Islamic science, and those who serve them through innovation and creativity in developing sustainable and innovative solutions that enrich their religious and cultural journey, while providing high-quality services that exceed their expectations.

Waqf Expenditures

- 01**  **Serving pilgrims and Umrah performers as well as visitors to the Two Holy Mosques Al-Masjid Al-Haram and Al-Masjid An-Nabawi**
- 02**  **Caring for students of Islamic science and scholars in the Two Holy Mosques.**
- 03**  **Providing Iftar meals for fasting individuals.**
- 04**  **Offering assistance to students of Islamic science and scholars, the needy, and stranded travelers.**
- 05**  **Maintaining and caring for the mosques.**

02

Distress Relief Project

The project aims to assist the needed students of Islamic science in the Grand Mosque (Al-Haram) and needy guests of the Most Merciful, as well as needed travelers in Makkah.

Inspired by the noble Islamic values of relieving those in distress and alleviating the hardships of the needy.

The project seeks to promote social solidarity and provide psychological and financial stability for the most vulnerable individuals and families.

05

Pilgrim's Umbrella project

An initiative to distribute sun-protective umbrellas to the pilgrims of the Holy Mosque during the Hajj seasons, aiming to reduce the intensity of the sun's heat and protect pilgrims from sunstroke and heat exhaustion.

Consequently, this enhances the pilgrim's personal experience and their feeling of care and attention, which reflects the positive image of serving the pilgrims of the Sacred House of Allah.
